

Napier Central School
Kipling Terrace Road Patrol

1st February

Please find attached a draft roster for Kipling Terrace Road Patrol. Please check this roster and advise if changes need to be made. Also check that phone numbers are correct. It is preferable for you to list home phone numbers if these are more likely to be used.

Parent Supervisors – thank you for volunteering to supervise Road Patrol Crossings. Your assistance is very much appreciated. Please advise as soon as possible if your circumstances have changed. Constable Kevin Marshall will provide parent training at a later date for those of you new to the job.

Please note there is no parent supervisor to cover Friday afternoon. If you can do this, or know of someone who can, please let me know.

Thank you.
